GLAFHS is an enterprise managed by a dedicated and determined team of multi-disciplinary professionals with a mission to bring in a paradigm shift in the business of greening and farming by setting-up new standards.

Our vision is to inculcate and strengthen the people's desire to go green and conserve environment.

LANDSCAPING DIVISION

(Highways and Infrastructure Projects Plantation Office, HIPPO)

HIPPO is a unit of our Landscaping division which specializes in preparing plantation schemes and irrigation designs which are feasible in implementation, sustainable, economical and in line with the Green Highways Policy of Govt. of India. We are well equipped and experienced in carrying out new plantation, transplantation of trees of all sizes, beautification and maintenance works. Our endeavor has always been to convince Highways and other Infrastructure building organizations to emphasize & prioritize greenery works as plants will assist in absorbing air pollutants, reduce dust, noise and controlling soil erosion at the embankment slopes.

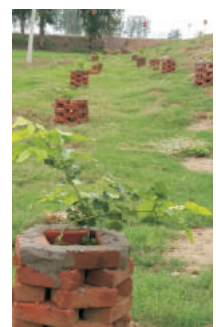

Some of the prestigious projects with which we are associated are:

- National Highway No.15 (NH-15) connecting Amritsar- Tarn Taran – Harike in Punjab [Client: NHAI, Main contractor: SP Singla Constructions Pvt. Ltd, PMC: Feedback Infra Pvt. Ltd.]
- Model Industrial Park in Amritsar, Punjab [CLIENT: Alpha Corp Development Pvt.. Ltd.]
- Design & Build of the Diesel Locomotive Factory and Residential Township , Marhowra, Saran District, Bihar [CLIENT: A joint venture of GE Global Sourcing India Pvt. Limited of the US with Indian Railways. MAIN CONTRACTOR: Shapoorji Pallonji & Company Pvt. Ltd., Mumbai]
- PEPSI Bottling Plant of M/s Varun Beverages Ltd., Phillaur, Punjab
