PROLOGUE

About Us

GLAFHS is engaged in the business of landscaping, external development works, agriculture, forestry, agroforestry and horticulture activities. We are a fast growing company with a multimillion rupee turnover having capability to handle projects pan India and globally.

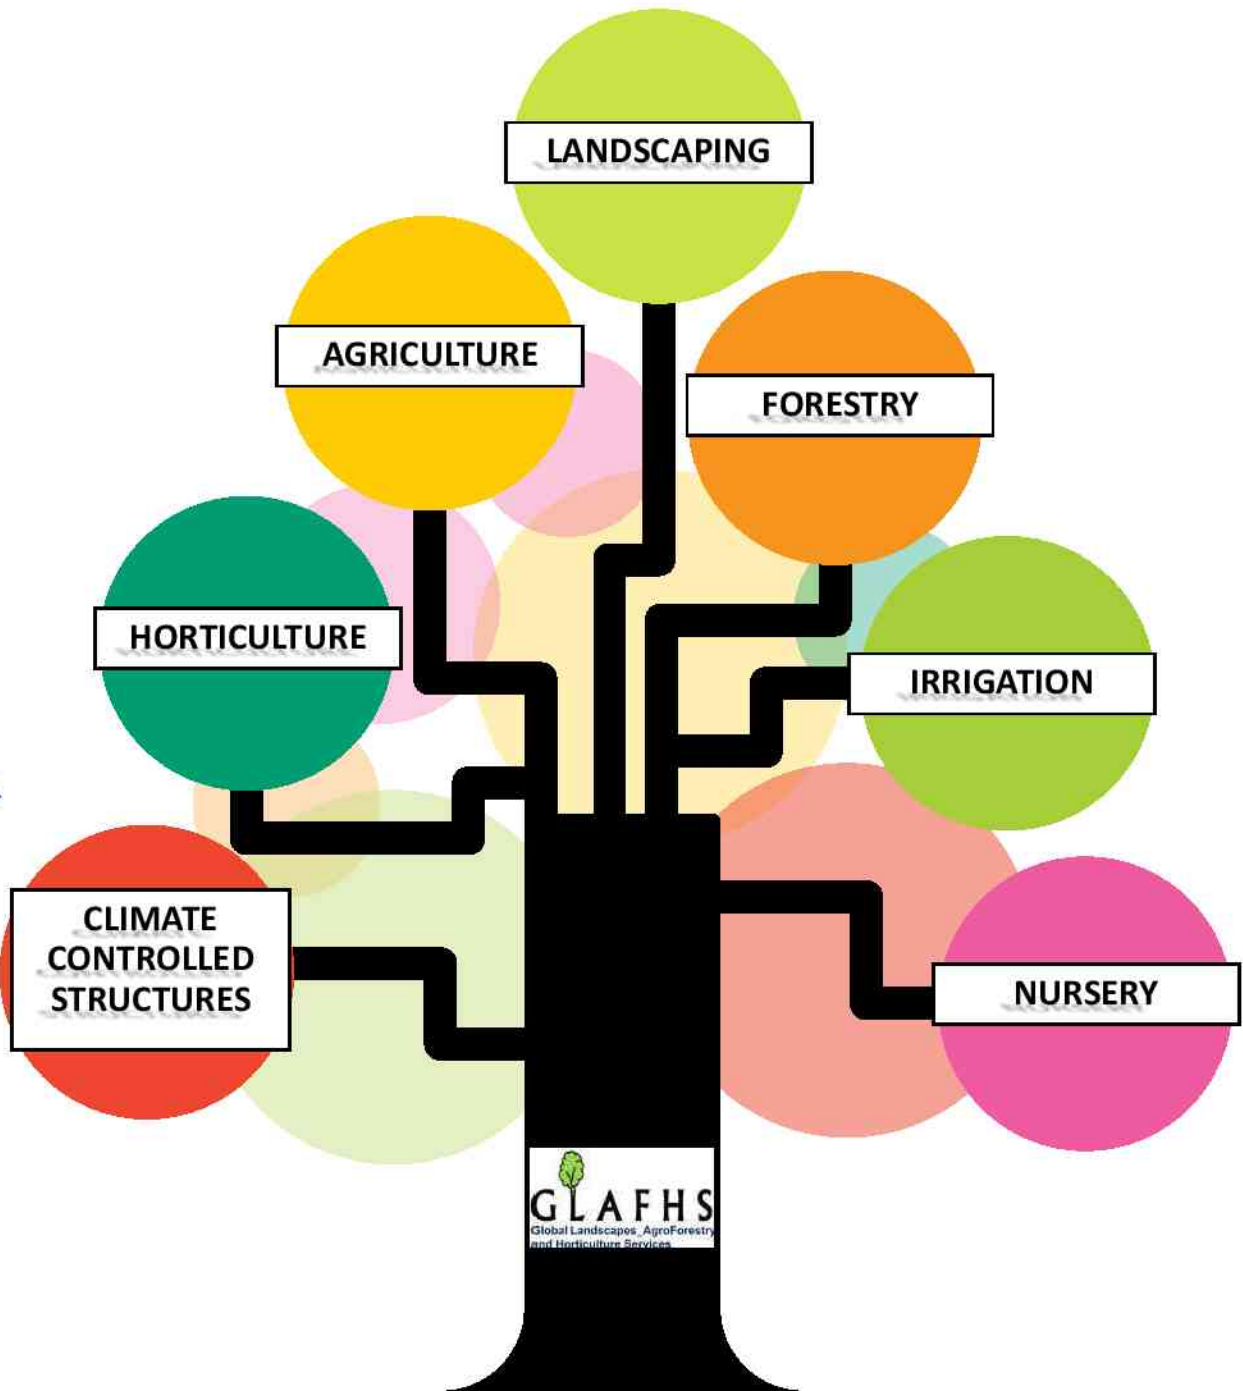

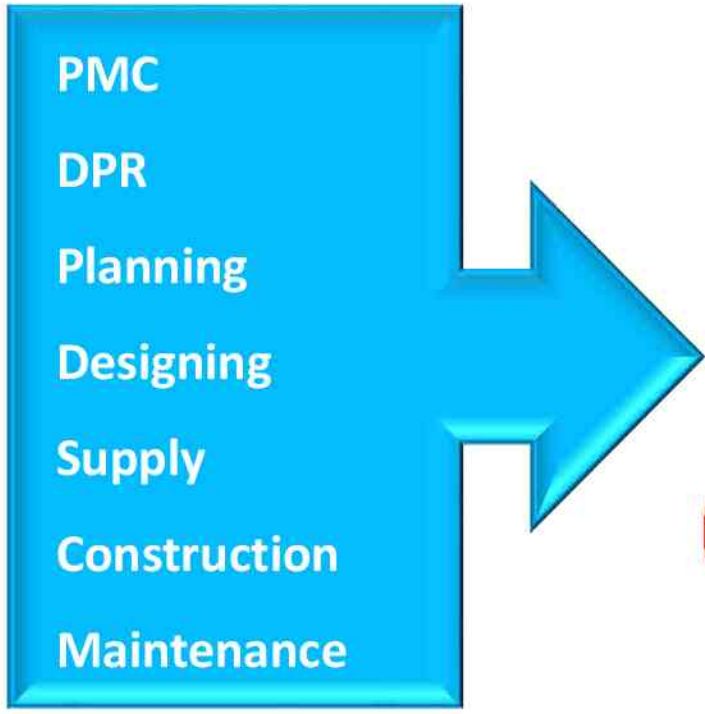

Our **team** consisting of dedicated and determined professionals with a combined experience of more than 100 years having varied educational backgrounds (viz. Planning, Architecture, Engineering, Agriculture, Horticulture, Forestry and so forth) and career records in national and international companies, they came together to create GLAFHS.

Mission is to bring a paradigm shift in the business of greening and farming by setting new standards and being innovative.

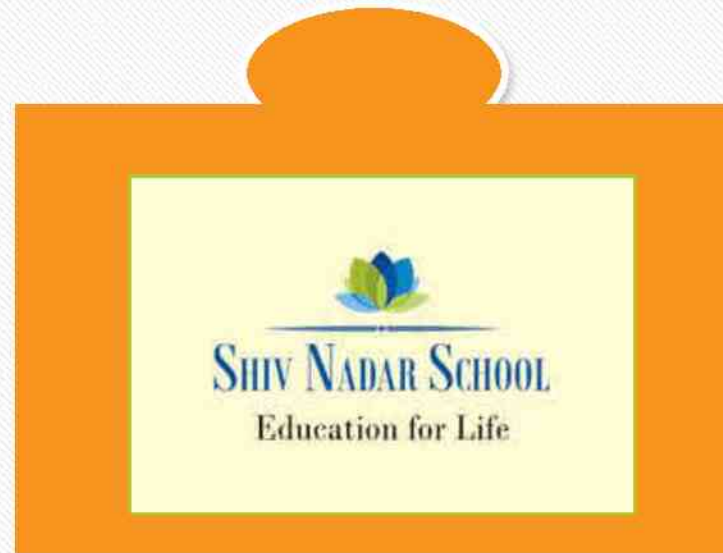

Vision is to encourage people to go green & conserve environment and always assist them in their endeavours.

We comply with the statutes and regulations enacted by Government from time to time and have in place MSME, GSTIN, EPF and ESI registration among others.
